brewhouse ales

Wheat (5.0%, ABV) - \$4 pint, \$14 growler
 In our lightest bodied ale, we combine the German tradition of using summer wheat with the uniquely American flavors imparted by Cascade Hops. The melding of these two styles creates a crisp and refreshing beer with just a hint of grapefruit. We serve it with a slice of lemon.

Amber (6.2%, ABV) - \$4 pint, \$14 growler
 A malty and full-bodied European style amber, this beer's rich caramel color is derived from European Munich and Crystal malts. The malts are carefully balanced with Crystal hops to produce a smooth-drinking beer with spicy, floral aromas.

IPA (7.1%, ABV) - \$4.5 pint, \$16 growler
 This is a beer for you hop heads. Our IPA stays true to its English roots, but with plenty of West Coast attitude. We load this beer up with a ton (literally) of Two-row Barley, and 75 IBUs of Columbus Hop goodness.

Stout (5.0%, ABV) - \$4 pint, \$14 growler
 Smooth, creamy, and malty, this stout is a classic. We load up this brew with six types of malt, flaked barley, and oats, to deliver a rich and complex beer with flavors of chocolate and roasted coffee beans.

The Flight - \$7.5
 Can't decide? S'okay, just try a flight! Four 7 ounce pours of our ales lets you sample away. You get Wheat, Amber, IPA, and your choice of a specialty or the Stout! Joker's wild, dood!
